

PALMA CEIA WATER MAIN IMPROVEMENTS

February 20, 2025

NOTICE OF CONSTRUCTION, LANE/STREET CLOSURES, TRAFFIC SHIFTS & FLAGGING OPERATIONS

During the week of February 24, 2025, the contractor will be performing construction activities and paving operations on S. MacDill Avenue. This work will take place between the hours of 7 a.m. and 5 p.m. and will require lane and street closures, traffic shifts, and flagging operations. Travelers are asked to observe construction crews, vehicles/equipment, and traffic patterns when traveling in and near the construction areas. *(See information below and on back of flyer for work locations and traffic impacts.)*

Monday, February 24 and Tuesday, February 25: The outer, southbound lane of S. MacDill Avenue will be closed at W. Sunset Drive with a traffic shift in place to route travelers around the work zone, and the westbound lane of W. Sunset Drive will be closed just west of S. MacDill Avenue with flagging operations in place to assist with traffic flow.

Tuesday, February 25 and Wednesday, February 26: The outer, northbound lane of S. MacDill Avenue will be closed at W. San Nicholas Street with a traffic shift in place to route travelers around the work zone, and W. San Nicholas Street will be closed east of S. MacDill Avenue.

Thursday, February 27 and Friday, February 28: The outer, northbound lane of S. MacDill Avenue will be closed at W. San Isidro Street with a traffic shift in place to route travelers around the work zone, and W. San Isidro Street will be closed east of S. MacDill Avenue.

WHAT TO EXPECT DURING CONSTRUCTION

- Delivery and storage of construction equipment and materials within the public right of way
- Operation of construction vehicles and heavy equipment in and near the construction area
- Removal of landscape and hardscape items within the public right of way, as needed
- Temporary elimination of street parking within the construction area
- No anticipated interruptions to trash/recycling or mail service delivery
